Come to the legendary camp everyone talks about! Music education has proven to improve academics. Parents want their kids to learn and be challenged - kids love music & want to have fun. This camp is their chance to do both! Our students come for multiple weeks & return year after year! Our Rockin' for the Arts shows have raised tons of \$ for art programs.

Each student will be introduced to guitar, bass, drums, vocal instruction, on-stage movement & microphone technique, music genres and legendary artists. Students then choose an instrument to focus on and play for the week. Campers will be placed in bands based on age and ability. Camp attendees have the opportunity to perform in a showcase at the end of camp. Camp hosted in a state of the art facility with air-conditioned rooms, with all equipment on site and conveniently located in Burbank. No prior music experience is necessary. Kids with prior music experience will have the opportunity to be challenged, expand their knowledge, work on originals & try out other instruments. *Advance camp by audition is available for advanced players. Call for details.
